Dear Mr. Dulles:

In our letter of May 31, 1956, concerning the contemplated construction of buildings to house your activities in various critical target areas, we neglected to include a building to be located in Baltimore, Maryland.

It would be appreciated if you would advise us whether or not the functions to be carried out by your Agency in the proposed building will permit the use of a dispersed location in accordance with the criteria stated in our May 31 letter.

Sincerely yours

(Signed) Fred S. Poorman
